

Why was the Partition of Bengal reversed in 1911 and was the the result of it? OR

Why was annulled in 1911)

Partition of Bengal (কলকাতা বিভাগ) ~~কলকাতা~~

The partition of Bengal was annulled by Lord Hardinge in 1911. It was done because of the Swadeshi movements.

Reasons → After the announcement of partition in 1905, there was a lot of upset in different parts of the country.

→ The general people saw the 'divide and rule' policy of the British authority and protested against it.

→ The main reason was to create problems between two communities and hampering the unity in the country.

→ The swadeshi movement ~~started~~ as a result of this partition and it lasted for 6 years.

→ People started boycotting ~~indian~~ British goods and ^{that} ruined British trades.

→ Protests had increased and people were attacking British officials.

→ The authorities ~~not~~ were not able to end the protest and they reversed the partition in 1911.

Results:

→ The capital shifted from Calcutta to Delhi.

→ Promised a new university at Dacca in 1912.

→ Bengali Muslims were disappointed and angry.

→ The partition divided the Hindus and
